Groups

- 21 Students in this course, 16 passed the first milestone
- Some student already quite far
 - If you have reached final submission quality, please hand in earlier
- If you have not sent your gitlab/github link/invite to your repo, please do so
- Write me an email (1 group already did)
 - Let's schedule a date where we can meet online, where you can present your submission
 - Prepare a few slides that explains what your application is doing and your design choices
 - Prepare your demo and make sure it runs
 - I'll record this session and upload it to the website
