- Challenge task submission deadline is **02.12.2020 23:59**

- Write me an email
- Let's schedule a date where we can meet online, where you can present your submission
- Prepare a few slides that explain what your application is doing and your design choices
- Prepare your demo and make sure it runs
- I'll record this session and upload it to the website, max ~15-20min.
